

## Journal Information

|               |                                                   |
|---------------|---------------------------------------------------|
| Journal Title | SEDIMENTARY GEOLOGY                               |
| Publisher     | ELSEVIER                                          |
| ISSN          | 0037-0738                                         |
| E-ISSN        | 1879-0968                                         |
| Database      | Clarivate                                         |
| Domain        | Life Sciences, Physical Sciences, Social Sciences |

## Classification History

| Year      | A+ | A | B | C |
|-----------|----|---|---|---|
| 2026      |    | ✓ | ✓ |   |
| 2025      |    | ✓ | ✓ |   |
| 2024      |    | ✓ | ✓ |   |
| 2023      |    | ✓ | ✓ |   |
| 2021/2022 |    | ✓ | ✓ |   |
| 2020      |    | ✓ | ✓ |   |
| 2019      | ✓  | ✓ | ✓ |   |
| 2018      |    | ✓ |   |   |

**Classification:** The table above shows all journal classifications recorded for each classification year in the Green Journals database. A journal may have more than one classification in the same year.
