

## Journal Information

|               |                             |
|---------------|-----------------------------|
| Journal Title | GEOCHEMICAL PERSPECTIVES    |
| Publisher     | EUROPEAN ASSOC GEOCHEMISTRY |
| ISSN          | 2223-7755                   |
| E-ISSN        | 2224-2759                   |
| Database      | Clarivate                   |
| Domain        | Physical Sciences           |

## Classification History

| Year      | A+ | A | B | C |
|-----------|----|---|---|---|
| 2026      |    | ✓ | ✓ |   |
| 2025      |    | ✓ | ✓ |   |
| 2024      |    | ✓ | ✓ |   |
| 2023      |    | ✓ | ✓ |   |
| 2021/2022 |    | ✓ | ✓ |   |
| 2020      |    | ✓ | ✓ |   |
| 2019      | ✓  | ✓ | ✓ |   |
| 2018      |    | ✓ |   |   |

**Classification:** The table above shows all journal classifications recorded for each classification year in the Green Journals database. A journal may have more than one classification in the same year.

## Recent Articles

|                                                                                                                                                                                                                                         |
